

RECREATION LEADER AND MENTOR

Learning Outcomes

- Working understanding and training in the field of social services, prevention programming and youth services – both for low-income and at-risk youth.
- An understanding of how mentoring/recreational/educational programs impact youth and their families.
- Development of self-esteem and empowerment in youth through recreation, arts and other programming.

Description

Mentor boys and girls ages 7 to 16 years old and will work within designated age groups (either young children or teens). In addition, the student will assist in the community outreach program, help staff in working with youth and conducting recreational activities, and also have the possibility of creating and supporting new recreational activities.
